

Taking Photos & Videos

We are happy for you to take photos and short videos of your children during school productions as long as you follow these rules:

- **Photos or videos taken by parents are for personal use only**
- **Photos or videos must not be posted on social networks**
- **Please zoom in on your own child whenever possible**
- **Please be considerate of others when taking photographs**

More information about why these rules are in place is available on our website:
